THE 1972 MILESTONE

yearbook of

GOVERNOR DUMMER
ACADEMY
Byfield, Massachusetts

GOVERNOR DUMM
209TH ANNIVERSA

DEDICATION

The 1971-72 academic year will always be remembered as a turning point in the history of Governor Dummer Academy. This year has marked the end of a decade of self-evaluation, and the beginning of a period of action. If there is any one man who has led the school in its introspection, and who has built the foundation for its future, it has been the headmaster for this last decade: Valleau Wilkie. This year's MILESTONE staff is also aware of the influence a man's wife exerts upon his actions, and therefore recognizes the role Mrs. Wilkie has played here at Governor Dummer as well. President John F. Kennedy once said:

> "It is time for a new generation of leadership to cope with new problems and new opportunities. For there is a new world to be won."

We believe Mr. and Mrs. Wilkie realize that this time has come to Governor Dummer, and hence have stepped down to allow the Academy to advance into a new world. It is for their leadership in the past and their perceptiveness for the future, that we, The Senior Class of 1972, dedicate this year's MILESTONE to our headmaster and his wife, Valleau and Marjorie Wilkie.

1 INTRODUCTION

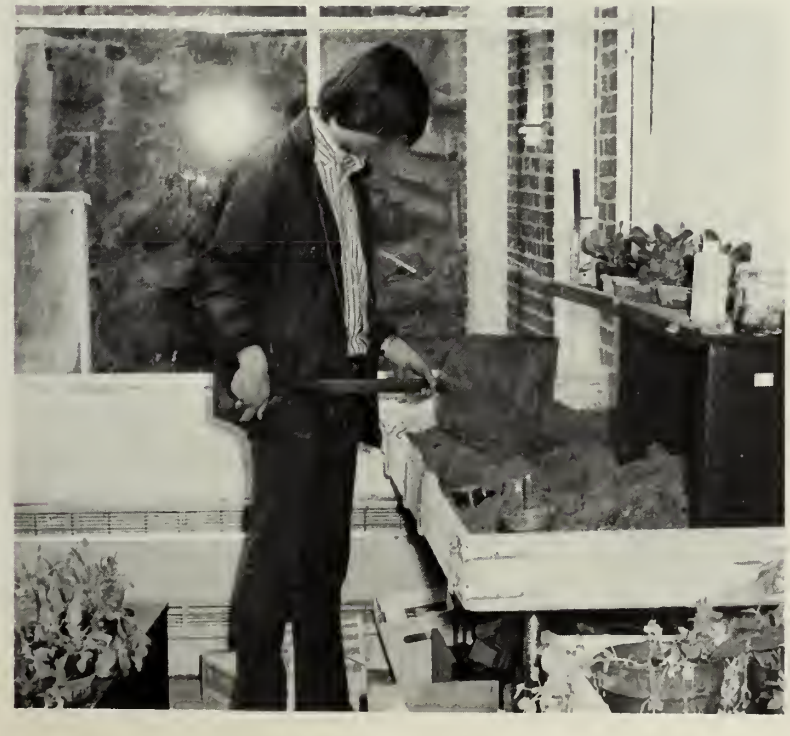
167 PATRONS

Governor Dummer in 1971-72, what was it? All that has been said about it by the hundreds of other MILESTONE editors and more. For this year at Governor Dummer was a year of changes, changes which would form the future of the school and which of course, had a great deal of bearing on the present.

Immediately, the students began to reassess their life at Governor Dummer, and establish some order in their priorities. At the end of this reassessment all but a scattered few had decided to cut rule-breaking to a minimum. This in my eyes, was a great step forward for the Academy. There have been years when the students would have said, "Who cares?", and continued in their deviance. There also have been years when the faculty would not have attempted any type of compromise and merely apprehended as many students as they could have. Never before has there been a year when mutual effort such as this has been used to reach a solution to a problem that could have destroyed one of the most important mainstays at Governor Dummer, the relationship between students and faculty.

The institution of Junior-Senior dormitories was but another major change in school life this past year. Most people seem to feel that they worked better than expected. At first Seniors felt it a travesty to have Juniors interfering with their holiness, and Juniors seemed to feel reluctant to be constantly trodden upon by their upper classmen. Soon nearly all distinctions were forgotten and it began to appear that Governor Dummer had now only three classes, Freshmen, Sophomores and Junior-Seniors or Senior-Juniors, whichever the case may be. Junior-Senior dormitories were an overriding factor in breaking down the distinctions of class which were always a sorry aspect of Governor Dummer life.



The school not only changed organizationally, but also physically. This year good old Lang Gymnasium became brand new Schumann Science Center. The "new" building allowed the Governor Dummer Science Department to operate much more in a college preparatory manner. Instead of science classes meeting five times a week with two double period sessions, they now met an average of four times a week for lectures, with labs on Wednesdays or any other free periods which the student might have during the week. In this manner the burden of a double period was relieved from the backs of both student and teacher without sacrificing the course.

Perhaps inspired by the changes which took place in the school itself, was the change in the attitude of the students which prevailed throughout this academic year. A majority of people who have had close connection with the school over the years, noticed this year a greater amount of involvement by the students at Governor Dummer. This year, more than in years past, the Governor Dummer students were working in and with the community. Not only did student interest in the community increase this year, but also interest in the school itself increased. This year the Debating Club, dead for many years, was resurrected on student interest alone, and will now probably be around for many years to come.

There is one incident which clearly shows the unity which had developed this year at Governor Dummer and which illustrates the interest which the student body had in preserving the school itself. Early in spring, when everyone is just beginning to enjoy the good weather, the Student Government delivered a message to the student body from the faculty. The basic theme was this: The faculty believed the students were taking the rules of the school much too lightly. That alcohol and other drugs were being used much too blatantly by the students and that this blatantness was jepordizing the student-faculty relationship which had developed so tremendously over the year.

Everyone knew that there would be many changes made at Governor Dummer this year as soon as the Headmaster announced the presence of day girls the year before. On opening day one could sense the added excitement. From that day onward the school had started moving again.

The addition of co-eds to the Governor Dummer community, was for most a pleasant change. Girls! A new aura of mystery surrounded all aspects of school life. Would competition in the classrooms destroy many a male ego? Might the faculty be more lenient to one sex or the other? Would the cheerleaders inspire new strength in the Governor Dummer athletic teams? How would rules change regarding girls? Would they become more lenient or stricter through abuse?

All these questions and more like them were answered throughout the academic year. In the classroom the girls became students, as any other student at Governor Dummer, and no competition existed to either inflate or deflate anyone's ego. The masters, for the most part, seemed to believe the student was neuter, and no favoritism became obvious. It might not have been the Cheerleaders, but someone made our football team play better than the two previous years. The rules regarding girls, of course, became more liberal, for who abuses rules at Governor Dummer? No great harm appeared to be done by adding girls to the community. Next year, who knows?

FA

Fall, 1971, at G.D.A. was marked by the traditional Opening Day. New boys, unsure of where they were going, meeting new people, were just as much a part of the first day as were the old boys who were returning to old friends and places. But added to this Opening Day was the presence of girls on the Governor Dummer campus. There were those opposed to this addition because it disrupted the long established idea of an all boys preparatory school. Admittedly an all boys school has its own advantages, but these advantages were overruled by the benefits of having girls on campus. To football games were added the spirit and excitement of the Cheerleaders. To the Big League season champions, a game with the girls soccer team was added. And to classes were added the competition and exchanging of ideas with the girls.

But the addition of the girls was not the only change at Governor Dummer. A new attitude, that had been dormant in years past, was evident throughout the student body. It was a positive attitude of a renewed interest in school life. Bigger turnouts at athletic events, the ecology movement and the many social programs in Newburyport indicate the active role students took in the school and the surrounding community.

Other changes took place during the fall, such as the change in the dress code, the initiation of the package plan for classes and the addition of the new Schumann Science Center.

In all, the changes that took place during the fall on the Governor Dummer campus were positive, resulting from the attitude of the student body combined with the receptiveness of the Administration.

FALL SPORTS

VARSITY SOCCER

The 1971 season for the Governor Dummer Soccer team was not statistically good with a 3-8-2 record. The season should have been a disappointment to the team, but they lost no games by more than two points, many by only one. Coach Clunie was looking forward to a good season, but had a few doubts because of the lack of real talent. The 1971 Soccer team was not a collection of stars, but a group of teammates, each hustling and trying together. This "scrapping" is what kept the team very close to supposed superior teams.

Caps denote varsity letterman. 1st ROW: ROUTHIER; C. BOUCHARD; TRAVER; TURNER; K. McKENNA, co-captain; FOLLANSBEE, co-captain; BRACE; POTTER; FREIMARCK; J. WOODBURY. 2nd ROW: WILSON, manager; Dowley; Reynolds; RANDALL; G. WILLIAMS; SHELDON; D. WILLIAMS; Collord; B. McKENNA; Chisholm; Mr. Clunie, coach. 3rd ROW: HODGETTS, manager; P. BOUCHARD; Kumpy; Eshelman; JAMES; Goldbaum; HAFFENREFFER; SPAULDING; T. CRANE; McClement.

In the two weeks of practice before their first game, the team organized itself, everyone becoming accustomed to playing with new players. When the season started the team was ready to meet Exeter and Andover and played well against the two out of league teams. A problem became apparent, they had brilliant defensive work from Pete Follansbee, Dave Brace, and Dave Williams, but the offense could not score. Coach Clunie juggled the lines, which resulted in a victory against Noble & Greenough. The season culminated with the election of next year's captains: Tim Crane and Bruce Sheldon. With the hustle that the underclass members of the team exhibited, next year's team appears to be very promising.

SPS
SPS

VARSITY FOOTBALL

The Varsity Football team of 1971 reversed the pattern of sloppy and non-aggressive play that has plagued the last two G.D.A. teams.

The team was small in both size and number, but the squad's hustle, dedication, determination and spirit offset the numerical disadvantage. Eight returning lettermen on defense made this facet of the ball club one of the best in the league, and coupled with a strong running offense, the team had its first respectable season in three years. The record was not as good as it might have been, with only three wins, but the four teams that beat us had a combined record of 25 and 3. Leading the team were Tunk Hosmer, a linebacker, and Brian Lenane, a three year starter on defense and this year starting for the first time on offense. Lenane was the first G.D.A. all-league player in three years, while co-captain Hosmer made honorable mention, along with Kevin Kearney, lineman Bob Horton and Paul Committo and Derek Longmire. Although a losing season is never satisfactory, this one must be considered very good after the two previous 1 and 6 seasons.

Caps denote varsity letterman. 1st ROW: COMMITO; McDOUGALL; KEARNEY; LONGMIRE; HOSMER, co-captain; LENANE, co-captain; H. SMITH; ANDERSON; BATES; JABLONSKI. 2nd ROW: Mr. Evans, coach; HALLORAN; W. J. CONNELLY; R. ROOME; DOUG POPE; DOYLE; B. Bell; W. O'LEARY; BAKER; HORTON; B. STONE; KOMULAINEN; Mr. Anderson, coach. 3rd ROW: Chandgie, manager; Cohen, manager; COLES; Millikan; CALDWELL; Fox; P. Lenane; MILLER; Metcalf; Kenneally; A. Hall, manager; Mr. Moonves, coach.

CROSS-COUNTRY

The Varsity Cross-Country team of 1971 consisted of a group of very dedicated boys. The team's record was 9-1. The one loss was at the hands of Moses Browne, but revenge came at the New England Private School Interscholastics in which G.D.A. placed second behind a powerful Huntington team. Moses Browne only managed to rate a fourth in this tournament.

The major reason for the victorious record was the team's depth. By the end of the season, the top ten runners were only thirty seconds apart on a two and one half mile course.

Throughout the year the school record was broken and rebroken. Frank Holmes, co-captain, managed to break the record first, and Tom Bernsten, a junior, followed in his captain's footsteps and broke the record a second time. Bernsten then came back a second time to break the record for the third time in one season.

At the end of the season, the whole team was disappointed to see such a winning season end so soon. The season had been alot of work, but it was also alot of fun.

Caps denote varsity letterman. 1st ROW: SARGENT; BERNTSEN; SIMSON; KIBERD; HOLMES, co-captain; WATTS, co-captain; DURHAM; T. BELL; BETHEL; LOVE. 2nd ROW: MALIONEK, manager; W. Martin; Peters; Hyman; Bowditch; Stockwell; Cole; BUETTNER; Rooney; Campbell; Cooney; BROCK; Mr. True, coach. 3rd ROW: Zafris; P. Butler; R. O'Leary; J. Swenson; JONES; Cranshaw; Rudow; WINKEL; GANNETT.

G
GOVERNOR

LEAGUE SOCCER

Big League Soccer, along with the rest of the school, followed in G.D.A.'s tradition of change. At the outset of the season, Commissioner Miller was forced to add two new expansion teams, also, onto the schedule, were added double headers every Wednesday so to add to the excitement of the fans. Pierce's Panzas came in first at the end of the season, with Muskie's Militia a distant second. The Panzas then went onto win the Supper Bowl in an exciting contest against Roger's Ramjets. The Big League All-Stars, after a mere two days practice, went on in League tredition to severly stomp upon the J.V.'s, and then, lost a close battle with the Varsity team in a first-time contest. Apparently, though, the season ended in turmoil as it is rumored that suits were handed out by the Commissioner totaling twenty weeks on campus, for the breaking of many contracts.

GIRL'S SOCCER

J.V. SOCCER

The squad finished the season with a 1-9 record, but this does not show the qualities of hustle and teamwork that were prevalent throughout the season. When suffering through the season such as this squad did, it would be easy to give up when facing a tough opponent or on the short end of a score late in the game, but the great spirit this team displayed kept them from giving up.

Many of the players came to the squad with little or no soccer experience, however a number of these players were molded into competent soccer players with definite futures at G.D.A.

The Freshman Soccer team had a losing season, winning only one game, but as in all Frosh seasons, a great deal of experience was gained by all. Through the course of the season, the individual efforts molded themselves into team play.

The two captains, Mike Harding and Bruce Hoglander, helped maintain the spirit of the team throughout the games. Mr. Eames, with the assistance of Jon Davis, quickly got the team into shape and instructed the team members in developing their soccer skills.

In their first game against Pingree, they lost in overtime 0-1. Later in the season, in their second game with Pingree, they improved greatly, and beat Pingree 2-0. Although they played some strong teams, the 1971 Freshman Soccerteam displayed, as a 1 and 7 record indicates, team unity and team friendship in all its games.

1st ROW: O'Donnell; Clayman; Harding; Albert; Shaheen; Harrington; DeMier; Hoglander;
2nd ROW: Mr. Eames, coach; Kaplan, Bergman; Spence; Dunfey; J. White; Draper; Greenstone; Purington; E. Stone; S. Arsenault; McConnell.

J.V. FOOTBALL

The 1971 J.V. Football Team had many problems which explains the 1-3 record. A lack of talent coupled with tough competition in three of its four games proved disastrous for the squad. After a tough five weeks of practice, the team was anxious to play and wanted a win badly. But the 36-0 loss to Browne and Nichols seemed to demoralize the squad and from then on the spirit just did not exist. They were going up against more powerful and bigger teams and without a great desire to win, the team sottd little chance. Coaches Levitt and Downs worked hard to produce this spirit, but their attempts were unsuccessful. Co-captains Deane Folsom and Don Leas turned in solid performances, but there was not enough talent for a winning season.

FROSH FOOTBALL

This year the Freshman Football team experienced a meaningful and challenging season. With coaching from Mr. Spire and Mr. Rice, they gained immense strength both physically and mentally. The team's spirit was not lost, in fact it increased as the team started to work together as one unit. Although the record does not show it, the team did enjoy this season.

VARSITY BASKETBALL

The Governor Dummer Varsity Basketball team suffered a frustrating and disappointing season due to reasons which might be termed unexplainable. The squad got off to an encouraging start as they defeated Nobles, Lawrence and Groton in their first three contests, and found themselves enjoying a share of first place in the P.S.L. Bouncing back from a crushing defeat at St. Sebastions, the squad devoured Belmont Hill in the team's most satisfying win of the season. The cool ball control of Captain Nick Fink, and his counterpart Larry Coles, as well as the fine front court play of Bob Murphy and Jon Davis, contributed to the 52-34 win. Bruce Sheldon's shooting and rebounding was superlative as it had been all season.

The inexperience of the entire outfit began to show, however, as the team faced tougher competition, and consequently slid into an eight game losing streak. Although the team hustled and scrapped in the remaining ten games trying to regain a winning attitude, different kinds of letdowns, whether they were lapses in defense or periods of cold shooting, had drastic effects in every game. This was especially true on this team since there was no outstanding player to take up the slack as there had been in past years. Even though the team suffered from obvious disadvantages, individual performances dominated the season. Nick Fink's and Jon Davis's shooting in the first half of the season, Murph's clutch play at St. Pauls while recovering from an ankle injury, Bruce Sheldon's great rebounding and shooting in the Groton game,

1st ROW: Irving, Murphy, Fink, Davis, Brace. 2nd ROW: Mr. Moonves, coach, Reynolds, Sheldon, Curtis, Miller, Sendor, manager. 3rd ROW: Cohen. Franklin, Coles, Rosa, manager.

and Larry Coles' shooting at Tabor, were a few of the high points of the season.

When Coach Moonves was faced with a crisis, he could rely on a strong bench. Steve Miller came in halfway through the season to replace cold-shooting Jon Davis. Steve's superb outside shot helped a faltering offence considerably. Whether it was Murph's ankles giving him trouble, or Bruce Sheldon in foul trouble, Tucker Reynolds was there to fill in as a defensive specialist. Peter Franklin, who overcame a pre-season injury, returned to help in his guard position as the season progressed. Great performances could always be expected from Jim Irving and Dave Brace, as well as "Super Soph" John Cohen.

Although excuses can be made for any poor season, this was a case involving a lack of experience and confidence needed to create a winning team. Next year, however, Co-captains Larry Coles and Bruce Sheldon return to lead a maturing squad to what should be a great season.

VARSITY HOCKEY

1st ROW: Commito, Wise, Connolly G., Conway, captain, Kiberd, Thompson, DiNatale. 2nd ROW: Mr. Blair, coach, Williams G., manager, Mayer, Bouchard P., O'Leary W., Leonard, Roome, J., Torison, McKenna B., manager, Mr. Fyrberg, coach.

It is often said that a person's rewards are measured by the amount of work put in. This idea is very pertinent to the Varsity Hockey team. Often a great deal of drive and determination was shown by the players and generated by the coach as one saw in their three strong wins over Triton High School, Moses Brown, and Berwick Academy. A coach, however, can do nothing if the players will not give of themselves. This was evident at times during the season and is responsible for their poor showing.

Several players do deserve recognition for their continued strong performance during the year. MVP and high-scorer, Bryce Kiberd, skated well, as did Captain Peter Conway. Both played considerable roles in lifting the spirit of the team, as well as playing excellent hockey.

The players who contributed most to this team obviously got the most out of the season in terms of satisfaction, but the players who contributed least will probably have no feelings toward the season except, perhaps, regret.

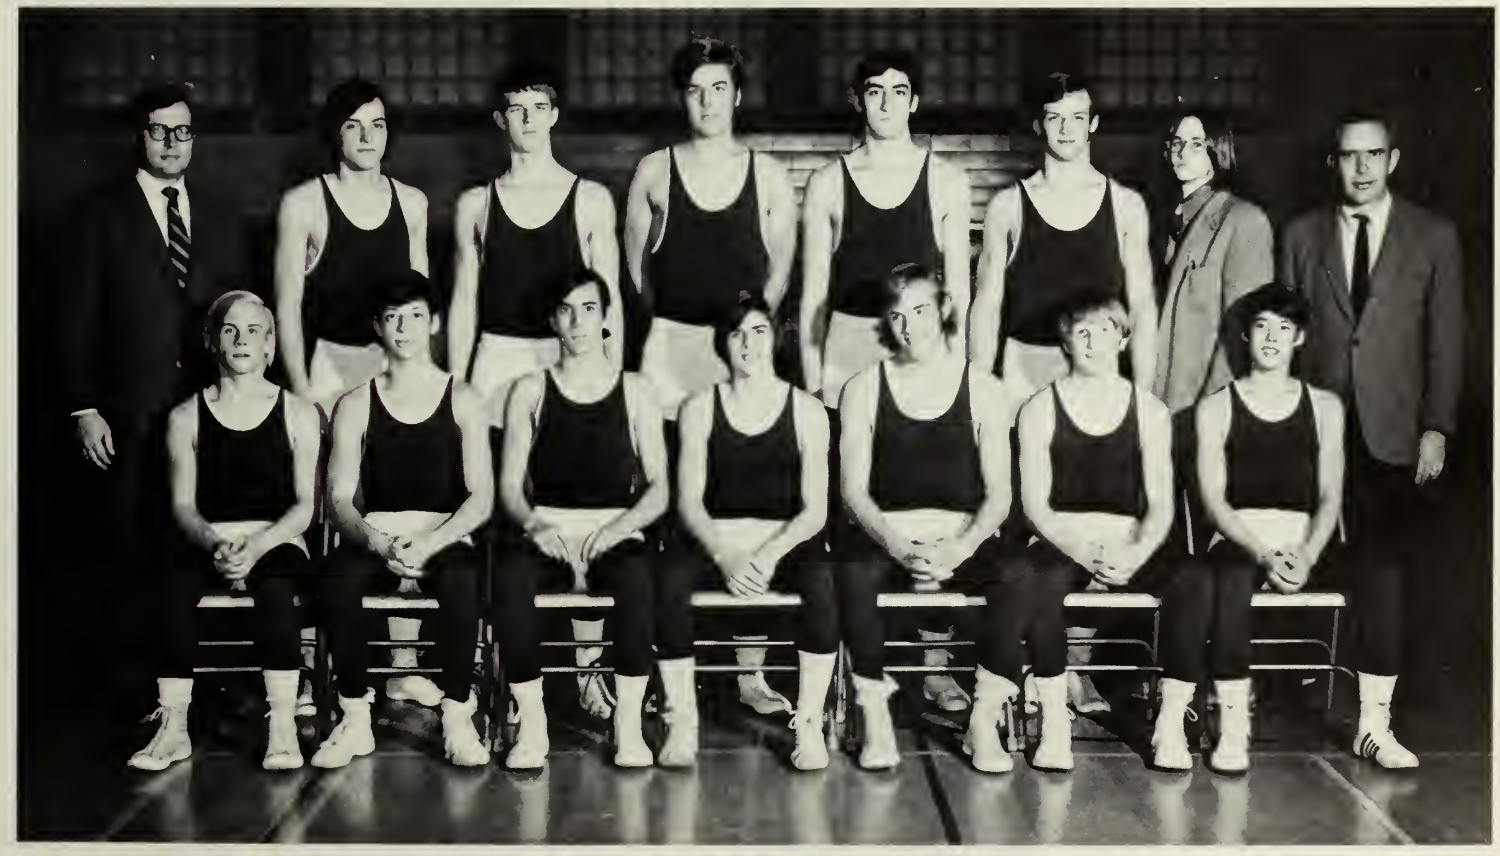
INTERSCHOLASTICS		5th



1st ROW: McCLEMENT, METCALF, MARTIN R., BOUCHARD C., captain, POTTER, CALDWELL, WINKEL. 2nd ROW: MR. SPIRE, coach, FOX, ROOME R., ZENNER, DOYLE, POPE, ALDEN HALL, manager, MR. EVANS, coach.

This year's Wrestling team showed considerable improvement over last years outfit, although it failed to rally to a winning season. The team experienced a disappointing lack of depth which proved costly as the season wore on. Once again, free term projects and league sports had devastating effects on the sport, and holding down a varsity position was an easy task for anyone qualifying for a vacant weight class.

The squad did inherit some hopefuls this year, however, and together with an experienced and competent crew from last year's Varsity, Mr. Evans was able to mold a respectable if somewhat vulnerable team to stand up to this year's competition. Two superlative members of the team, Charlie Bouchard, and Glen Winkel, could always be counted upon to kick every meet off to a good start, Charlie produced an undefeated season, and Glen followed close behind, falling only to one of Exeter's top men.

In dual meet competition, the team turned in respectable performances, giving such big names as Exeter and Andover some tense moments, although giving Mr. Evans the same at times. Such outstanding wrestlers as Glen Winkel, Charlie Bouchard, Chris Caldwell, Reg Roome, and Carey Doyle, often gave the team confidence and the points needed to make the difference between winning and losing.

At the end of the season, the team demonstrated its real potential by taking a fifth in the Class A Interscholastics. Taking fourth place in their weight classes were Wiz Potter, Reg Roome, Jim Fox, and Doug Pope. Taking third were Chris Caldwell and Dave Metcalf. Glen Winkel took a second, and a first place was awarded to Charlie Bouchard.

With several of this year's varsity lettermen returning, and some enthusiastic J.V.'s available to fill any spot in the lower weight classes, Coach Evans should have a solid outfit with good potential to face next year's competition.

WINTER TRACK

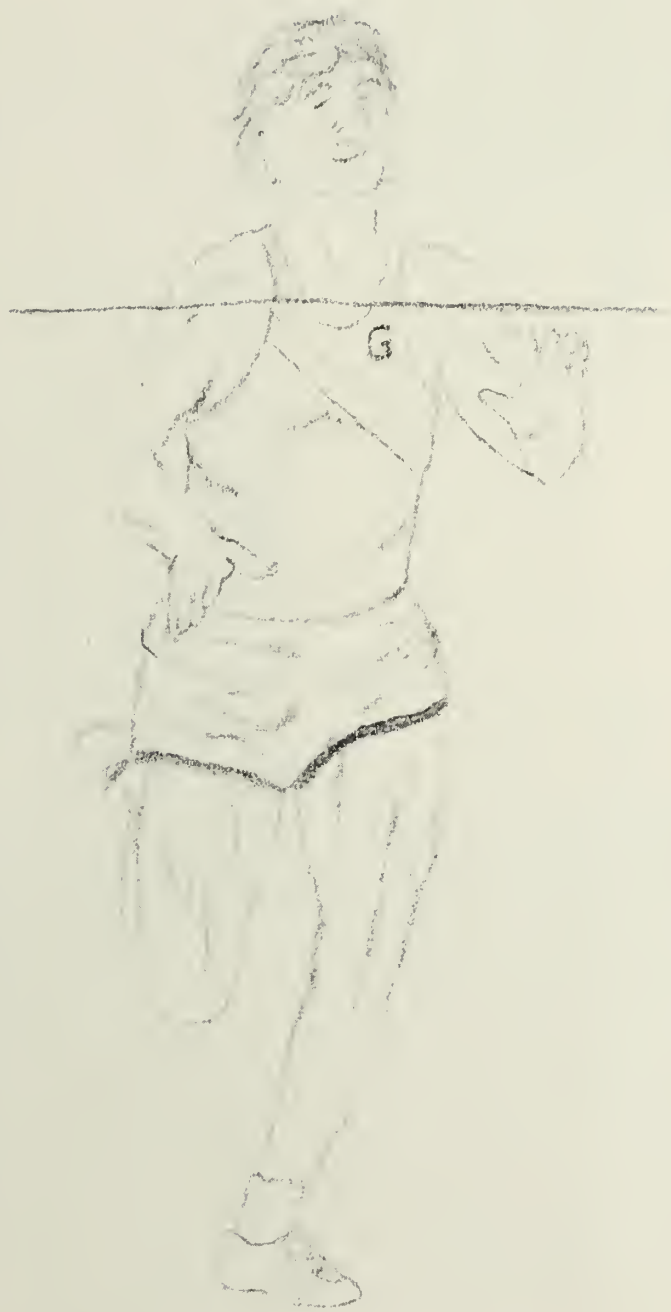
M.I.T. FROSH, TABOR	2nd
EXETER J.V.	1st
INTERSCHOLASTICS	2nd

Amidst the excitement of other winter sports, Winter track is at worst a nuisance and at best, unheralded. Yet this year's squad labored determinedly through the cold winter months on the cold wastes of Byfield, and the sweaty, dirt track at Exeter to produce a 5-4 winning record. This record is especially good when one considers that the four losses came against Exeter, Huntington, and the MIT freshmen. The team had to overcome not only cold weather, but also the mental letdown of competing during a season which was sandwiched between a highly successful cross country team and a promising Spring Track season. There were many good performers on this year's team. Co-MVP, Pete Follansbee, placed second in the New England Interscholastics in the 300 and fourth in the 50. He consistently excelled in both events. Co-MVP, Barry Simson, always placed well in the 1000 and the mile, placing fourth in both the Interscholastics.

Three other standout performers were Co-captain Frank Holmes, who ran everything from the 50 to the mile; Tom Bernsten in the mile and two mile; and Bill Martin in the high and low hurdles, as well as the pole vault.

In general, the winter track season was proof that desire and determination do in fact play the most important part in the success of a team. Next year's team led by Fred Sargent and Tom Bernsten should do as least as well.

FIRST ROW: SEKORA J., WATTS, Co-Capt. SIMSON, Co-Capt. HOLMES, FOLLANSBEE, Wiseman. SECOND ROW: Coach Potter, BERNSTEN, MARTIN W., BUETTNER, BELL B., Regan, HYMAN, SARGENT, Coach Sperry. THIRD ROW: Bethel, BELL, T., Cooney, Arsenault S., Schumann, Butler, O'Leary R., LOVE, MALIONEK, manager.



G

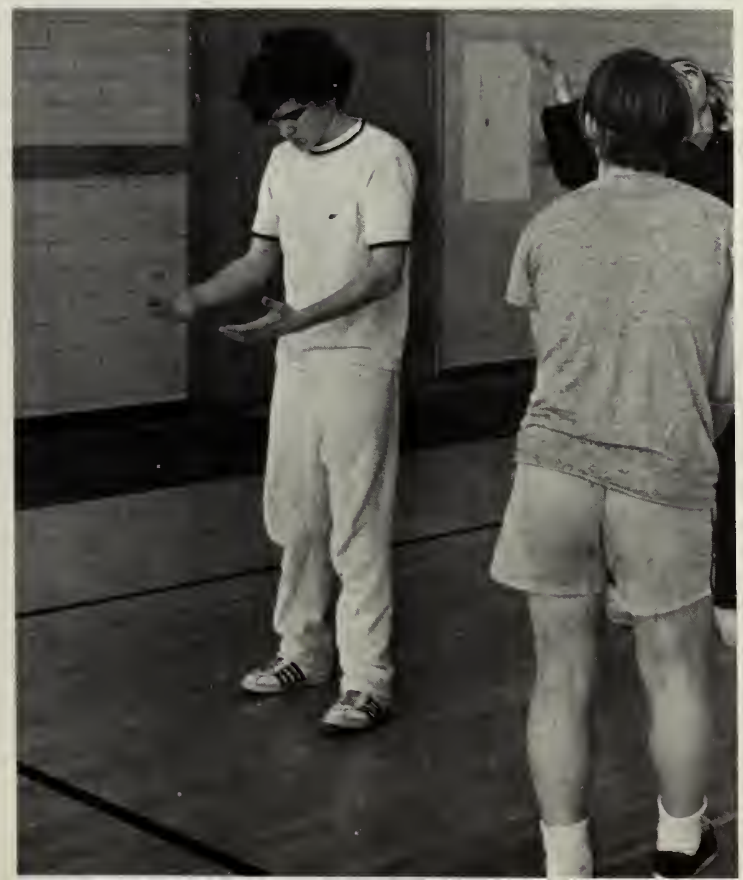
CROSS COUNTRY SKIING

In its initial year at Governor Dummer, Cross Country Skiing had a successful season, finishing fourth in a highly competitive league. The team's performance was hurt in the early weeks due to a lack of snow, but Co-Captains, Tim Traver, and Larry Jones, kept the team in shape with seven miles of roadwork a day. Outstanding performances were attributed to lettermen Larry Jones, Joe Kenneally, Scott Arthur, Bruce Stockwell, Chris Baker, and especially to Tim Traver, who finished second in the league. The team considered the season a success, but hopes to improve in next year's competition with the experience gained in the initial year. Tim Crane and Larry Jones lead next year's team which, with a little more show, should have a great season.

1st ROW: FLETCHER, WOOLSON, RUDOW, DeMIER, CRANE T., SANCHEZ, 2nd ROW: WANG, ARTHUR, CONNOLLY W.S., McELROY, TRAVER, co-captain, JONES L., co-captain, MILLIKAN, KENNEALLY, 3rd ROW: MRS. SOMMA, coach, McCLELLAN A., BAKER, SWENSON C., STOCKWELL, JOHNSON S., MR. WHITE, coach.

LEAGUE BASKETBALL

There is even a sport at Governor Dummer known as League Basketball, but in reality, is better known as the "Vice Squad". Certainly with the presence of "Oakie" Smith, Kevin Kearney, and Louie Benitez, the action on the court was often highlighted by fan-pleasing outbursts which surprisingly enough had a degree of basketball skill involved. Mr. Williams, and Mr. Anderson tried to run an organized program in the beginning, but were forced to abandon this in favor of the traditional style of play. Next year, "Toe" Blake and Dave Goldbaum will lead the crew to what should be another spectacular season.



J.V. BASKETBALL

The second basketball team suffered a rather disheartening season with a 4-8 record. There has to be a reason why a team with such promising talent did not have better success. A loose club plays the better game, and this can evolve into a confident pattern of play, or it can choke a club to the point where it does not operate at its greatest potential.

John Randall at center, with Dave Williams, George Brock, Woody Johnston, and Fred Collard filling in as the more regular starters, the team experienced inconsistency of play during the entire season. With the knowledge and confidence gained this year, the talent, the coaching ability of Mr. True, and the strong desire to play basketball, an excellent foundation has been built around next year's Varsity team.

Freshmen Basketball had a relatively good season as far as the improvement of basketball skills is concerned. Starting with a team with few strong points, Coach Downes worked and shaped the group into a hard-working team. This improvement is clearly shown by a comparison of the team's first and last games. In their first game, the freshman squad lost by a margin of 26 points, whereas in their last game, the team lost by only 12 points. To be sure, by the end of the season this gang of boys plus Fiona Harris had worked themselves into a closeknit outfit.

The team's top scorer for the season was Bill Shaheen with 74 points, although he only played in five of the seven games. The team felt that Coach Downes and "Ace" Pierce deserved special credit at the end of the season for the time and energy that each devoted to the team.

The J.V. hockey season was definitely the best that Governor Dummer has seen in a long time. Everything finally jelled this year as they finished with a commendable 6-4-1 record. Superb goaltending by Ben "Muskie" Pearson was the key to the team's success. Excellent performances by Mark Woodbury, Tim Statler, George Tonry, Rob Spaulding, and Mike Lambrose, contributed highly to the winning season, as did the defensive hockey seen in Bob Jablonski, Rick Lamson, and Woody Wallace.

Perhaps the climax of the season occured in the game against St. Marks, the final game of the season. Once again, "Muskie" played fantastic hockey which held the team together in the final crucial moments. The underclassmen on the team hope that the success experienced this season will help the Varsity during next year's competition.

This year was a good example of what teamwork, determination, and good spirit are on an athletic team. After finishing last year with a 0-9-0 record, this year's freshmen hockey squad beat many of the teams which defeated us last year. All departments of this year's team were much improved with the presence of Mike Harding and Pete Robertson, two great Varsity prospects for next year. Along with the steady goaltending of Steve Bottomley, and some clutch relief play by Tim McClellen, the team showed much improvement over last years outfit. This improvement showed when we tied a powerful Milton team. Steve Bottomley came through with many great saves to keep the team in contention while the other players tried desperately to score the winning goal. Led by the great coaching of Mr. Baldassari, the team learned a lot during the season, even while having a great time.

FIRST ROW: McClellen T., Johnson D., Robertson, White J., Holihan, Bottomley, SECOND ROW: Gorodetsky, Tozer, Folsom, Bruce, Lenane P., Bergman, Mandrachia, Coach Baldassari. THIRD ROW: Greenman, Harding, Young B., Gage, Purinton, Chandgie, Bashaw. Absent: Bosch C., Cunningham, Moseley, Zografos.

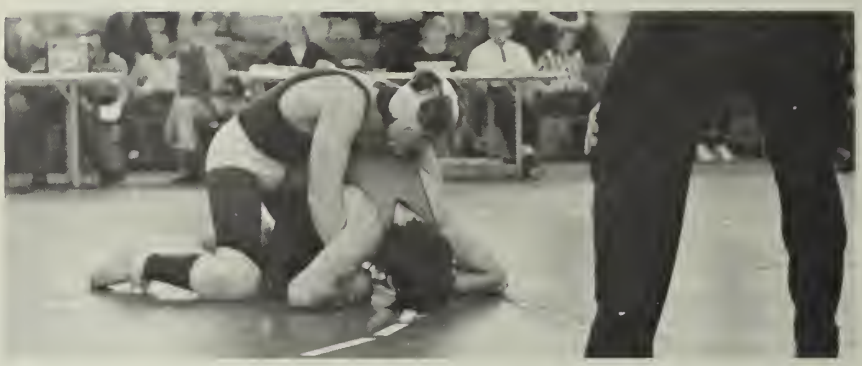
SECOND PLACE

The second wrestling team enjoyed a good season although suffering at times to the annual problem of inexperience. Starting the season with six first year wrestlers, Mr. Spire, and Mr. Evans, who spared some of his valuable varsity practice time to help the lower squad, were able to develop a highly competitive group of freshmen and sophomores. The team was not very successful during the duel meet segment of the season, although they won decisively at Tabor and Belmont Hill.

The team's success occured in the Interscholastics, as they finished second behind a strong Exeter team in the tournament held at Governor Dummer. This was the best performance by a home wrestling team since 1967. Both Steve Epstein, and Alden Hall emerged as individual champions with everyone else on the team wrestling in either the finals or the consolation bouts. The future of the Varsity seems certain to be successful.



FIRST ROW: Albert, Clayman, Clark, Free, Rudow, Epstein, SECOND ROW: Sanchez, Laub, Stevens, Dunfey, James, Swenson J., Ingrassia.

SPRING

DEERFIELD

SPRING SPORTS

Sports in the Spring at Governor Dummer have been changed drastically by the different and more diversified interests now present on the campus. Spring projects were not as much of a deterrent to the quality of the teams as they were last year, however, because the athletes who participated this Spring were people who had planned to compete since the Fall, and consequently planned their Spring projects around their athletic commitments. The teams this Spring were better than in past years because there were more seniors playing sports and this gave every team the invaluable experience needed to have success.

Traditionally, students at Governor Dummer were required to play for a team, but in the past few years, Spring projects and Free terms were created and have become very popular, but in doing so nearly choked the athletic alternative. This year, the athletes who wanted to compete gave their very best because there were no other major outside interests. Many students planned projects which would occupy them during the mornings and leave the entire afternoon for athletics. As a result many people produced a great deal this Spring, both athletically, and for themselves. This kind of change at G.D.A. can only be favorable since in a society such as Governor Dummer, the more active a person can become in different ways, the more he or she grows in, as well as, outside this community.

VARSITY LACROSSE

It could be said that this year's Lacrosse team was a second half ball club. We were not a quick team, but we could finesse the ball and put it in the goal. If it worked it was good, according to Brian. Barry dodged? . . . behind the cage; never could get in front . . . oh, well, Buck was there. We played well in the rain and the mud as Mt. Herman fell in the first game, 8 to 5. The mud and rain stayed, but the team kept getting better. Muskie cleared the ball and got his assist halfway through the season. Wait a minute, Barry just dodged someone . . . must be the mud again. What's that about giving it to the midfield? "That midfield play really does work. Maybe we should run it more often, Mr. Evans." Roo, what's that about rocks in your house? "Everyone" scored against MIT. We went up to Exeter, played a poor half, but beat them in the fourth quarter. Harvard was next and there we lost our unbeaten streak . . . must have been the bus ride that did us in. More rain and more mud, but Phil learned how to run the roller. Brian Lenane, Dave Brace, and Jon Davis, who said they were not a potent midfield . . . 75 points for the sea-

son. Brian passed the ball, Jon gunned it, and Dave did both. We never did figure out what Jabo was shooting at.

St. Marks was a disaster. Buck and Phil played well, but that was it. Muskie's dodging got better even though he had to leave his shoes behind. 38 goals to 1 against Winchester, Lawrence and KUA . . . not bad. The team looked great all season with Tim Crane, Barry Simson, and Buck O'leary on the attack, and Tim Straus, Gordie Thompson, and Muskie doing a solid job on the defense . . . and of course, Phil in the cage. We proved we were a team against Andover in the second half, and proved we were not at St. Pauls, but we won anyway. What's that about being a second half ballclub? "We like to be behind at the half, and then destroy them." We even set records this year; most goals, most assists, and most total offense in a single season. Seven members of the team scoring over 20 points for the season was also a record . . . Phil forgot his sweats against Nobles . . . didn't matter, we beat them anyway. Tabor was another story. At least we were able to watch the top team in New England.

Mr. Evans and Mr. Anderson made the whole season worthwhile. Brian picked up the Lady Bang. Barry kept scoring and even began to dodge . . . who said he wasn't a feeder. Buck even found the corners this season. What's that about settling the ball down? "But we like running up and down the field." Not FB's and GB's again . . . Muskie learned a lot about wooden shafts this year . . . Harper's sweats kept the team together, and Harper. No George, you don't ride the ball by yelling at the defensemen . . . the Hopper almost worked at the end. Well, it was a good Spring, a good team, and a winning one . . . those are always the best kind.

FIRST ROW: Pearson, Thompson, Davis, Brace, Co-Capt. Lenane B., Co-Capt. Simson, O'Leary, Hosmer, Straus, Bouchard P. SECOND ROW: Coach Evans, Potter, Follansbee, Connelly W.J., Pope, Doyle, Williams D., Lenane P., Kenneally, Coach Anderson. THIRD ROW: Wilson, manager, Spaulding, Millikan, Martin R., Routhier, Baker, Hall A., Jablonski, Crane T., Ward, manager.

VARSITY BASEBALL

It takes alot for an athletic team to turn failure to success in a single season. The 1972 Varsity baseball team was able to produce the necessary ingredients to turn last years 2-11 season to respectability this year. To say a team was better than its record indicates is cliche, however it is the case of this years team. Three of the losses came by a one run margin in the last inning, two others by a pair of runs.

Although neither of the Co-captains Ben Pierce and Pete Franklin had spectacular seasons, their steady leadership and determination served as a great influence on the remainder of the team. The Co-captains also formed a double play combination which may have been the best in the league.

Jim Irving rebounded from a poor fielding season last year to become one of the better defensive third basemen in the league, as well as contributing some excellent clutch bunts to the offense. First baseman Bruce Sheldon matured during the middle of the season and went on to wack league pitching at a .300 clip. Two others juniors also played large parts in the teams success. Steve Miller, a back-up catcher most of last year tied for the team lead in hitting and proved to be a fine defensive backstop. George Brock was the teams top hurler with four wins, three of them complete games. Two young pitchers, sub-mariner Scott Williams and Bill Skaff, who tossed the clubs only shutout, strengthened the pitching staff.

Nick Fink, perhaps the best natural ballplayer on the team, also pitched and, as usual led the team in hitting and home runs. Left-fielder Kevin Kearney played solid defense and produced some key hits and RBI's. Center fielder Deane Folsom played great defense, turning in some sparkling plays. Back-up outfielders Paul Commito and Bob Little produced key contributions to the team.

Perhaps the difference between this year and last was the teams great attitude and spirit. To a large degree, this can be attributed to coaches Moonves and Wilkie, who not only taught the game, but kept the team happy and hustling.

12

VARSITY TRACK

The Track team this year posted an 8-2-1 record, much to the expectations of most of its members. The success of the team was due mainly to the quality of depth. An example of this outstanding depth was seen at the Class B Interscholastics. Our relay team won, Woody Wallace won the 440, and Bill Martin took third in the pole vault; but we came in third out of sixteen because we took a great many fourths and fifths, which is a difficult task considering the number of excellent competitors at this meet.

The Governors lost by a large margin to Moses Brown, as usual; lost by a smaller margin to Deering H.S. the best team in Maine, and tied a strong Masconomet team.

1st ROW: Bernsten, Sargent, Horton, Watts, co-captain Kiberd, co-captain Holmes, Sekora, Crook, Wiseman, Bell, T. 2nd ROW: Coach Sperry, Hyman, manager, Coach Potter, Winkel, Martin, W., Young, E., Roome, Bell B., Bloom, P., Pramberg, Scangas, Coles, Haaren, Love, Malionek, manager. 3rd ROW: Wallace, Arsenault, S., Bethel, O'Leary, R., Regan, Schumann, Stockwell, Mefferd, Long, Buettner, Smith, S., Jones, N., Coach James, Coach True.

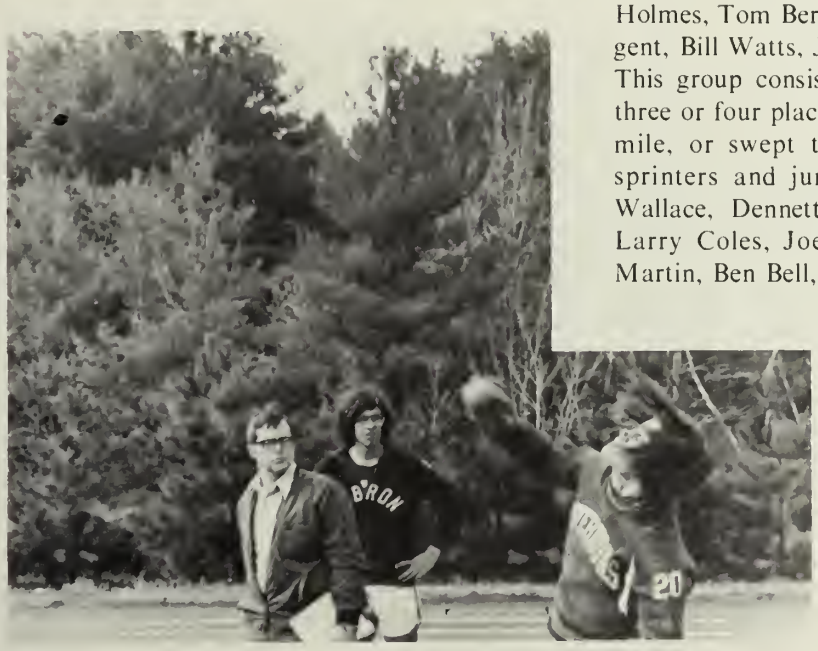
INTERSCHOLASTICS		3rd	

The rest of the meets were easy victories for the Governors, including a surprise twenty-nine point win over St. Paul's in the pouring rain.

The big factor for the team's success lay in the long distance group, including Frank Holmes, Tom Bernsten, Tom Bell, Fred Sargent, Bill Watts, Jay Bethel, and Rich Love. This group consistently took either the top three or four places in the 880, mile and two mile, or swept these events entrely. Our sprinters and jumpers, who were Woody Wallace, Dennett Buettner, Bryce Kiberd, Larry Coles, Joe Sikora, Ed Young, Bill Martin, Ben Bell, and Greg Mefferd, were a stronger group than usual, and provided the team with outstanding performances in the Interscholastics. The relay team, consisting of Sekora Coles, Kiberd and Wallace, was especially good.



This year's Co-captains, Bryce Kiberd and Frank Holmes, did an excellent job of preparing the team for its meets and helping the younger competitors. Their personal performances were reflected by the fact that Bryce received the MVP award, while Frank received the Gilbert Distance Running award. Next year's team, under the leadership of Larry Coles and Tom Bernsten, and the usual hard work of Coach Sperry, should have another successful season.

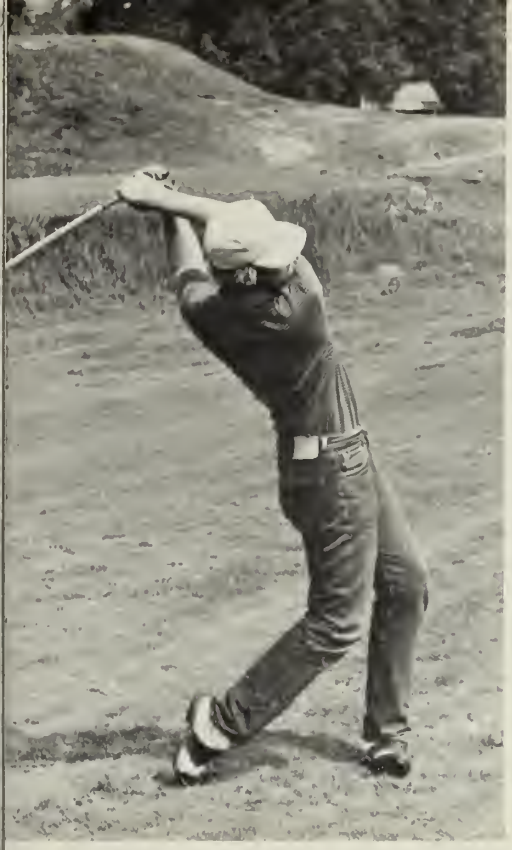
The Golf team enjoyed a very successful season, winning all but one of its matches. The presence of seniors, Peter Conway, Harrison Smith, Mark McNally, Scott Condon, and Tim Whelen, helped considerably in every match, but as Coach Eames indicated at the Varsity Awards dinner, that the strength of the team was the team itself this season. Their only loss came at Harvard. The high point of the season came when Governor Dummer won the Tri-meet with Andover and

1st ROW: Condon, McKenna, Conway, captain, Smith, H., McNally. 2nd ROW: Mr. Eames, coach, Bottomley, Whelan, Leonard, Tikellis, Metcalf.

Exeter. For the first time, Governor Dummer played without a handicap, and consequently, this win put the school on a par with both larger schools.

Next year, with four lettermen returning, the golf team looks foreward to another good season.



VARSITY TENNIS

The Varsity Tennis team enjoyed its first winning season in five years which, to retiring Coach Baldassari, was a good note on which to leave Governor Dummer. Charlie Bouchard and Bill Frost were the "one, two punch" of this year's team. Both did exceedingly well in both the singles and doubles in every match. The team was hampered by poor playing conditions due to the rain, but still managed to play every scheduled match but one.

Beside Bill and Charlie, Lee Bloom, Louie Benitez, John Cohen, and Fred Collard played very well, often winning crucial matches for the team.

FIRST ROW: COHEN, FROST, BOUCHARD, captain, BENITEZ, COLLORD. SECOND ROW: Ingrassia, Chandgie, BLOOM L., Connolly G., Goldbaum, Mr. Baldassari, coach.

SOFTBALL

The spring is a time for relaxation and a time of renewal. For some the spring is a time to get away, however there were still a group of students who remained on campus to participate and accomplish. Many students, this spring, found themselves asking the question: what do I want from a sport? Many people found that they wanted to get into shape or develop mental discipline. Still others found that they wanted to get into shape, and play for the sheer fun of it all. This spring, League Softball offered all of these and much much more. The band of players was under the inspirational leadership of Mr. Kenjorski. Many a young lad experienced the sheer joy of being in top shape after the tough calisthenics. Many came prepared with the necessary mental discipline to play the sport.

Not only did League offer the normal advantages but it went much further. In how many other sports is the player given the opportunity to learn to swim on the job? Not many. One's vocabulary is also greatly increased, out of necessity, of course. It is amazing how widespread is the use of the four-letter word. The acting ability of a player is also increased many fold. The one ability which all participants learn is that of backseat umpiring. Without the help that he received, Mr. Kenjorski would have had great trouble calling the games as well as he did.

This year's intramural softball had many stars. Perhaps the most famous of whom was Donny "Boy" Leas. His fantastic ability as a fielder was excelled only by his great prowess at bat. Wyatt "Paco" Garfield was truly great as a pitcher. Others who excelled were Bob Murphy, Kevin McKenna, Ian Chisholm, and Bill "Demo" Emerson. The string of other greats would require an impossible task in terms of time and labor to make out.

This year was a good one, despite the swamp around second base and the mosquitoes. Everyone on all the teams enjoyed playing and many will look forward to another good season come next spring.

J.V. LACROSSE

The 1972 J.V. Lacrosse season, although not a winning one, was a fulfilling experience. The three big wins against Exeter, Ipswich, and Lawrence were substantial victories. The team played well against Winchester and Andover, losing by one discouraging goal in each game. The poor weather and field conditions which led to a lack of practice time hurt the team considerably and can be attributed to the losses to Andover, Tabor, and Newton.

In spite of these poor conditions, the team came back and beat Lawrence in the second to last game, 8-0. Coaches Ogden and Clunie can be complimented for a job well done in keeping the team going when things did not go well. Despite some disappointing losses, the second lacrosse team did the job, and played some fine lacrosse.

J.V. BASEBALL

This year's J.V. Baseball team was remarkable in many ways, the most noticeable of these being the team's real desire to turn in a winning record this season. Despite few practices because of bad weather and the like, the team shaped itself into a well oiled ball club, each man using his individual talent to combine with the other eight on the field to the best of his ability. The spirit of this year's squad did not die once off the field. The bench was always supporting one cause or another, whether it be the pitching of Mike "Pigface" Moran and Dave Works, or a batter at the plate. A fine example of the tremendous spirit found in this team came at one of the few loses this season. It was the last of the last against Exeter, with Exeter at bat. G.D.A. was ahead 7 to 4 when they knocked in four runs off of Mike Moran to win 8 to 7. Although they lost, the team felt they had been in it all the way, and they left the field proud. This team will probably do incredible things for Governor Dummer Baseball in the near future.

FROSH BASEBALL

The Third Baseball team ended the season successfully with three wins and two losses. This team had a spirit that would just never quit, and a coach that kept the spirit alive when it needed bolstering. There was enough raw talent on the team so that a good nucleus of players could develop a strong, cohesive manner of play with the help of Coach Fyrberg.

Bill Shaheen's pitching was superb all season, and the infield consisting of John Bashaw, Scott Draper, Jeff Beach, Chris Richards, and Ed Cerier, backed up Bill's pitching by playing a solid defense.

The season was successful, although it seemed the team played more games than practices because of the poor weather. With the talent and enthusiasm on this team, the future of next year's J.V. seems bright.

J.V. TENNIS

The J.V. Tennis team completed a highly successful season. Chances of going undefeated were marred only by a loss to a strong Exeter team in the final match of the season. However, despite the monsoon-like rainy spring which necessitated the cancelation of numerous practices, consistency was maintained in both singles and doubles competition. Greatly responsible for the fine winning season was the excellent play exhibited in tough matches.

Outstanding singles players included juniors Jim Zafris, John Randall, Dave Eshelman, and John Gilman. Doubles team, consisting of sophomore Steve Epstein with junior Dave Gray, and junior Don King with Jim Zafris, showed considerable improvement during the season. It is expected that the 1973 Varsity will benefit from Mr. Harlow's knowledgable coaching contribution, and the easily — discernible improvement of most team members.

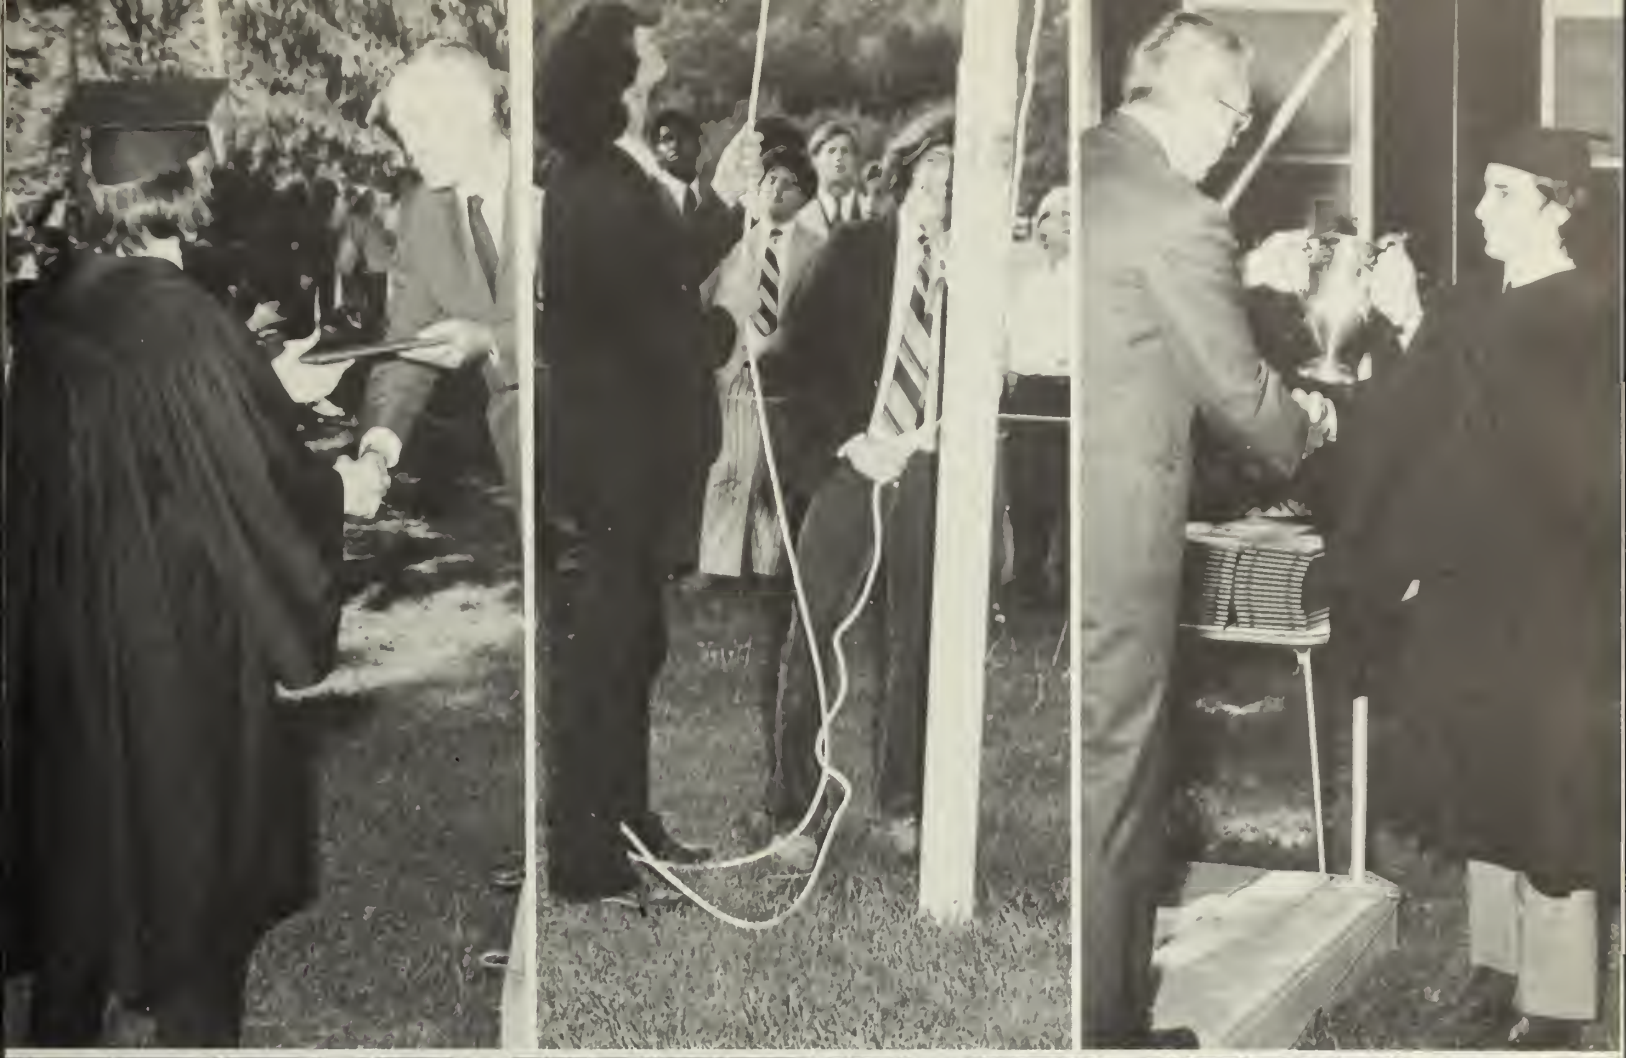
GIRL'S LACROSSE

Having for many years had an established sports program for men in the spring, the Athletic Department decided it would be appropriate for the newly enrolled girls to enjoy the advantages of athletic competition that the men of the school have enjoyed for years. The girls were organized, equipped, and then molded into a team which was called the Girls Lacrosse Team. Among other things the team had the opportunity of being the first girls Lacrosse Team in the history of Governor Dummer Academy. The team was enthusiastically coached by Mr. Steven Blair. This coaching assignment was quite a different experience for the former player of men's Lacrosse and coach of many "govie" men. Many of the girls were interested and eager to attempt to master the art of Lacrosse, however the team was blessed with experienced players Pam McElroy, Bunny Read, Sally Brown and Sarah Ewell. Marcia Field was in the goal, combining her skill and God-given talents to prevent any attempts by anyone to score. It would be inappropriate to speak of this season in terms of wins or loses, because the girls were disappointed in that their only game of the season was cancelled. It should be noted that the moral of the girls never dropped during their uneventful and unsuccessful season. Taking into account all of the drawbacks and good points of the season, it can easily be said that the girls showed a willingness to cooperate with integrity and pride. Although there was no interscholastic competition for them, they gained a years experience and are now ready for another try next year with a more complete and rewarding program.

FIRST ROW: George, Barry, Murphy A., Cohen R. SECOND ROW: Ewell, Read, Harris, Potter K., Salloway, Eames S., Mackay-Smith. THIRD ROW: Blanchard, McElroy, Stephens, Field.



COMMENCEMENT

THE MORSE FLAG

The Morse Flag was first awarded at the 150th Commencement of this school on June 9, 1913, and it has been awarded each year since that time to the senior whose record in all respects has met with the highest approval of the faculty. Accordng to the trust established by the late Rev. Glenn Tilley Morse, a long-time friend and trustee of the Academy, a new flag is provided each year in order that the old flag which has flown during the past year may be given to a member of the graduating class. This year the Morse Flag is awarded to:

ROBERT EDWARD MARTIN of York Harbor, Maine

This evening the Morse Flag is being awarded for the 59th time. I find myself thinking of the tremendous changes that have occurred both in the school and in the world during that span — from the laboratories in old Parsons School House to Schumann Science Center and from the World War I Spad with open cockpit to Apollo 16. We have come to focus on immense human problems of population, environmental destruction, and the rest.

But one factor has remained relatively unchanged and that is the quality of the young people who have received this award. In Roger Coulter in 1913 and in Bob Martin today, we find men who cherish excellence in all they do, who know how to give of themselves in work and play, who respect others and win respect for themselves.

A high honor student, member of Cum Laude, a member of the Red Key, a representative in student government, a varsity athlete in wrestling and lacrosse, he has provided — and will provide — the example and quiet leadership this old world of ours so badly needs.

On behalf of the faculty, I take the greatest of pleasure in awarding the Morse Flag to Bob Martin.

THE ACADEMY PRIZE

There are two prizes which are awarded by the entire faculty. One is the Morse Flag, awarded earlier this evening; the other is the Academy Prize.

For many years the Academy Prize was maintained by the mother of Headmaster Emeritus Edward W. Eames. In June 1959, the underclassmen of the Academy endowed this prize so that henceforth at each Commencement it could be given "in honor of Edward W. and Eleanor K. Eames so that the qualities they so deeply prized might be prized in turn by future and succeeding classes." It is awarded to that senior who by his unselfishness and sportsmanship has best exemplified the spirit of the school.

There are certain people to whom others instinctively turn when a particularly important and difficult responsibility presents itself. Such a young man is the winner of the Academy Prize. Both students and faculty members have found in him an unusual degree of mature judgement, enthusiasm, loyalty, and natural leadership.

Whether in the classroom where he earned membership in Cum Laude, on the football and lacrosse fields where he provided inspiring leadership, or in the dormitory where he literally became an associate housemaster when a member of our faculty left in the middle of the year, others have looked to him for strength and have not found him wanting.

Without doubt Governor Dummer is a stronger school and the whole community a better place in which to live and work as a result of his untiring efforts.

On behalf of the faculty, it is my privilege and pleasure to award the Academy Prize to BRIAN PAUL LENANE of Hamilton.

THE AMBROSE PRIZE SPEAKING AWARDS

It has often been said that the most brilliant idea is valueless if its originator can not communicate it to others. Certainly in the 1970's we need the ability to exchange ideas, to negotiate, and in all this to understand each other clearly. Thus our Speech course becomes ever more important.

Last night at the Commencement Dinner three members of the senior class demonstrated the value of the course through their fine performances. This morning I am very pleased to present the Ambrose Prize Speaking awards to them:

First: Michael Robert Batcup
Second: Stephen Louis Routhier
Third: William Simms Connolly

GOODWIN ATHLETIC PRIZE

The Goodwin Athletic Prize, established by Mr. Fred H. Goodwin of the Class of 1916, a trustee of the Academy from 1916 to 1949, is given to the senior who, by athletic achievement and sportsmanship, has brought the greatest honor to his school during the past year.

One could not imagine a more worthy recipient of the Goodwin Prize than this young man. A three-sport varsity athlete, he won the tennis MVP award as a junior, the MVP's in soccer and wrestling as a senior, as well as being captain of wrestling and tennis. One of our finest all-time wrestlers, he placed first in the Class A prep school tournament and in the New England Tournament. A member of Cum Laude, a student government representative, he exemplifies outstanding performance, not only in the athletic area but in all aspects of school life.
CHARLES TIMOTHY BOUCHARD.

GAFFNEY PRIZE

The Gaffney Prize, established in memory of Robert A. Gaffney of the Class of 1940, is awarded to that senior who, in the opinion of his teachers, has been most considerate of the rights, opinions, and sensibilities of others.

Do you need a tutor or help with the computor? Does the athletic trainer need an assistant, or the track team a manager who will put the lines on the track? Does the "Spire" need a hard-working editor? With all this, he found time to qualify for Cum Laude and to be a National Merit Scholarship Semi-Finalist. When there is a need to be met, call on THOMAS VINCENT MALIONEK.

BARRISKILL PRIZE

The James M. Barriskill prize, established in 1960 by the students in memory of Mr. Barriskill of the faculty, is awarded annually to that member of the senior class who has made an outstanding contribution in the field of music at the Academy.

The winner has made his mark in a number of areas — with the "Governor", the Drama Club, and in creative writing; but he is honored tonight as a fine musician with the band, the jazz ensemble, and chapel choir.

It gives me great pleasure to award the Barriskill Prize to ROBERT WARREN BILLEWICZ.

BEST THESPIAN

The Best Thespian Award was first made last year when our Drama Club became a member of the International Thespian Society.

This year the award goes to a senior who has served the Drama Club as an actor, director, and President. He has provided outstanding leadership in hard work, self-discipline, and creativity. WILLIAM SIMMS CONNOLLY.

CUMINGS PRIZE

The Cumings Prize was established by the family and friends of the late Fred T. Cumings of Troy, New Hampshire. It is awarded annually to a student who has shown perseverance, hard work and good spirit in his school life.

It is always a particular pleasure to be associated with a person who possesses an unusual degree of dedication and commitment and who provides a spark for others in their own endeavors. A conscientious student and outstanding leader in football, hockey, lacrosse, and as a dormitory procter, he has personified the terms of the Cumings Prize: CAMERON COLLYER HOSMER.

SPECIAL PRIZES

Through the generosity of Mr. Milton L. Dodge of Newburyport, we are able to present a group of Special Prizes to members of the Senior Class whose perseverance, courage, initiative, sense of responsibility, loyalty, or concern for others has contributed to the strength of the Academy.

1. The first Special Prize is awarded to a young man who has won an unusual degree of admiration and respect from both his peers and elders. An honor student, co-managing editor of the "Milestone" leader of the Red Key, an outstanding performer in haskethall and lacrosse, a volunteer worker at the Hathorne School for Retarded Children, he has been a quiet leader with a great impact on this community. JONATHAN PUTNAM DAVIS.

2. These days our society has an especially great need for people with great spirit and loyalty, the kind who come through when the chips are down. Such a performer is the recipient of the second Special Prize. A steadily improving student, superior dorm procter, and co-captain of two varsity sports, he has filled an important role at GDA. GEORGE BARRETT SIMSON.

3. The third Special Prize goes to a young man who embodies much of what the school stands for. Despite modest ahility, he just missed a place in Cum Laude. He has been a strong three-sport varsity athlete and won the MVP in one. But above all he has graced the campus with a thoughtfulness and consideration for others, a sense of humor, and a spirit that would not bow. It is a great pleasure for me to award this prize to ARTHUR SHOREY FOLLANSBEE.

4. All of us recognize our need for young people with a sense of responsibility, loyalty, and a willingness to undertake any task. A member of the Red Key in junior year, steadily improving student, varsity athlete, and excellent dorm procter, he has carried far more than his own weight in the school. KEVIN PAUL KEARNEY.

5. The fifth Special Prize goes to a senior who has provided outstanding leadership in helping to set up our reorganized student government and served as its co-chairman. He has also demonstrated great thoughtfulness and commitment as a member of the faculty-student Discipline committee and the senior Commencement Committee. He will leave behind him a most positive impact on the life of the school. ANDREW DAVID LAPPIN.

6. In a school that believes in personal commitment and unselfishness, this young man stands out both for the high level of his accomplishments and for his unwavering enthusiasm and dedication. A member of Cum Laude, he has also excelled in leadership as varsity baseball co-captain and dorm procter. During the winter he also assumed a coaching position in intramural basketball. He has been a real factor in the strong morale of the school. JAMES MADIGAN PIERCE.

7. The next Special Prize is awarded to another senior who has been remarkable for his reliability, his enthusiasm, and his cheerful spirit. A three-sport varsity athlete, he has also distinguished himself in academic growth and as an excellent dorm proctor. I am very pleased to present this prize to DAVID WHITTEMORE BRACE.

8. The final Special Prize honors a senior who has provided strong leadership in three areas of school life — academics, government and athletics. For three years he has been an Honor Roll student and this spring was elected to Cum Laude; he helped organize the Student Council and served as Co-chairman; and finally he has been a two-sport varsity athlete and winner of the MVP on our newly formed ski team. He has made a most valuable contribution to the school community. TIMOTHY OLIVER TRAVER.
